SUMMARY

Art-led creative leader with 15+ years building social-first campaigns and high-volume content for major entertainment, consumer, and healthcare brands, including Netflix, STARZ, AstraZeneca, and GSK. Serves as the central creative authority across client portfolios: sets the visual direction, leads the teams who carry it out, and holds every deliverable to a high standard from idea through production and distribution. Partners closely with Strategy, Account, and client leads to turn audience insight and brand strategy into editorialized, platform-native content that drives engagement. Has managed and mentored a team of 6 designers and developers, including annual performance reviews; led pitch narratives and concept workshops that won client buy-in; and built design systems, templates, and brand toolkits that bring speed and cohesion to high-volume production. Hands-on in Figma, Adobe Creative Suite, After Effects, and Premiere, and an early adopter of AI tools (Midjourney, Adobe Firefly, Claude) to modernize creative operations.
