SUMMARY

Denver-based creative director and hands-on practitioner with 15+ years across in-house and agency teams, including seven years leading the STARZ in-house interactive creative team. Builds brand identities and creative guidelines that show up with distinction across every touchpoint, and leads multi-channel campaigns that deliver measurable results: **~18% user growth** for WOW! Internet, a **35% year-over-year increase in app usage** at STARZ, and digital support for Netflix's **60M+ household** Paul vs. Tyson event. Turns complex products, data, and value propositions into clean, engaging creative, as shown in nearly three years simplifying oncology and pharmaceutical brands for AstraZeneca and GSK. Leads and grows creative teams through hiring, mentorship, performance reviews, and clear creative reviews, and builds the processes, templates, and design systems that make creative output faster, better, and scalable. Rolls up sleeves across design, video, motion, and web development, and partners closely with marketing, product, and leadership teams.
