SUMMARY

Creative strategist and art director with 15+ years of experience turning audience insights and performance data into paid social, digital, and video creative that drives results, including targeted campaigns for **WOW! Internet**, a broadband and telecom provider, that drove **~18% user growth** in new markets. Leads creative strategy from insight to brief to finished asset, partnering with copywriters, in-house teams, and clients to develop and produce static and video work. Experienced with strict legal and regulatory review from nearly three years on pharmaceutical brands (AstraZeneca, GSK), getting creative approved and launched on schedule. Uses analytics to shape messaging and creative direction, and stays ahead of platform trends, including launching AstraZeneca's first-ever Pinterest campaign. Organized and deadline-driven, managing many projects, stakeholders, and deliverables at once while keeping every asset on-brand.
