SUMMARY

Hands-on, digital-first creative lead with a graphic design background and 15+ years turning complex topics into clear, engaging brand experiences for B2B and B2C audiences. Clients include Netflix, STARZ, AstraZeneca, GSK, and WOW! Internet. Very comfortable with research-heavy subject matter: spent nearly three years at imre distilling oncology and pharmaceutical science into campaigns for patients, caregivers, and other audiences, within strict regulatory guidelines. A true "do-er" who moves from big ideas to finished work, designing and building websites, social, video, and presentations personally while leading the team. Managed a team of 6 designers and developers, keeping quality and brand consistency high. Partners with strategy teams on the brief, explains the strategic reasoning behind creative choices, and sells ideas to clients through compelling presentations. Has run an independent creative studio since 2019, working flexibly and autonomously alongside client and agency teams.
