SUMMARY

Hands-on digital designer and creative lead with 15+ years of personally designing and producing websites, landing pages, social content, and digital campaigns for global consumer brands, including Netflix, STARZ, AstraZeneca, GSK, and WOW! Internet. Takes ideas from concept to launch, from wireframes and prototypes to finished assets, front-end builds, and CMS setup, so the final experience matches the design. Uses website analytics and audience insights to spot opportunities, recommend design and content changes, and improve results. Adapts one consistent brand idea for different audiences, markets, and regions, including STARZ's International team, while meeting enterprise brand standards. Brings a people-side perspective from managing a team of six, running annual performance reviews, and playing a key role in hiring and selecting candidates at STARZ. Proficient in Figma and Adobe Creative Cloud, and quick to move from idea to finished work in fast-moving environments.
