SUMMARY

Design-led creative leader and hands-on maker with 15+ years across agency, in-house, and studio work, and 7 years managing a design and development team. Leads campaigns from big idea through execution across digital, social, web, email, and video for brands including Netflix, STARZ, AstraZeneca, GSK, and WOW! Internet. Adapts look and feel across industries and audiences, from entertainment and consumer telecom to regulated pharmaceutical brands, and ties every idea back to business goals. Designs for motion as well as static work, with hands-on After Effects and Premiere skills. Gives clear, actionable direction, holds a high bar for craft, and mentors designers to grow. Builds persuasive pitch decks and presentations that win over clients and executives. Actively uses AI in the creative workflow (Midjourney, Adobe Firefly, Claude) to explore ideas and speed up production.
